

Stone Bridge Area Improvement Task Force

Minutes from January 19, 2006 Meeting

Attendees: Susan Anderson (Chair, Open Space Commission), Marge Larson (Garden Club), Pam McDorr (Area Resident), Pat Sullivan (Conservation Commission), Bill Anderson (Economic Development), Sam Carr (Harbor Commission), Rachel Elder (Tree Commission), Jack Cook (Recreation Commission), Gary Rosa (Recreation Commission)

Announcements: VHB sent 11x17 copies of their proposed plan for the Stone Bridge Restoration for each member. They are on hold for any revisions pending funding.

Fundraising Brochure Discussion:

- Sue Anderson revised the brochure per last month's discussions and submitted for review by the rest of the Task Force.
- The '38 hurricane should be part of the history paragraph; Sue will look further in the Tiverton history books to incorporate this history in the brochure.
- Pam and Marge have inputs to give to Sue before the next meeting.
- Pam has a graphic designer lined up to formalize the graphics on the brochure once it has been approved by the Town Council.

FEMA Grant Discussion: Bill Anderson needs information on the high water level and the impact of the bridge from the '38 and '54 hurricanes for the FEMA grant. The Task Force agreed to help him in this search.

Task Force Direction Discussion: It was agreed that we will update the Town Council at the end of February as to what we have done since the last time we met with them and present the fundraising brochure to them for approval. We need to set up a public hearing on the VHB proposed plan at this TC meeting so we can try to get funding to get VHB working again.

Action Items:

1. Work on the resubmittal of the FEMA grant. *[Bill & Sam]*
2. Revise the fundraising brochure per Marge & Pam's inputs and '38 hurricane info. *[Sue A]*
